### **Old Business:**

**PER Update-Bill Lass** (go between guy) is working with Jason and Katie on the update. The PER has been submitted to RD and they have everything they need, and they have been informed that we are in a holding patter at this time until we are able to find additional funding to reduce the amount of the RD loan. RD has advised they cannot remain on hold much longer as numbers change again in October which will have an effect on the package. The city agreement is still pending, awaiting an updated map, which, upon receipt will be sent to Erika who will review and forward to the city for signatures which will make the package 100 % complete.
